CLAIM FORM FOR GROUP LIFE INSURANCE PROCEEDS

Revised 06/04

HOW WE PAY YOUR CLAIM

New York Life prides itself on the speed with which it pays claims. Most claim payments are sent to the beneficiaries within ten business days from the date the Company receives the completed Claim Form, death certificate and other documents as appropriate to the claim.

As an additional benefit, beneficiaries receiving insurance proceeds of \$5,000 or more can be paid through a Continued Interest Account. This account gives immediate access to all or any part of your proceeds, by simply writing a check. You may write as many checks as you wish, from \$250 up to the full amount in your account. There is no charge to you for the account or the checks. However, if the beneficiary is a corporation, trust, or estate, a single check will be issued.

Your Account Is Guaranteed

Your Account balance is fully guaranteed by New York Life the company that issued the policy from which benefits are paid. New York Life has consistently received among the highest ratings for our stability and claims paying ability from A.M. Best, Standard & Poor's, and Moody's Investors Service, which monitor the financial services industry.

Competitive Interest Rates

New York Life guarantees that the interest rates on your Continued Interest Account will be equal to, or greater than, the Bank Rate Monitor average of rates paid on money market accounts by 100 of the largest banks and thrifts nationwide. The rate you earn will be updated weekly and interest is compounded daily. Your proceeds will always be secure, earning interest and easily available to you. For the current interest rate, call our toll free number 1-866-893-6928.

Immediate Access

As soon as your claim is approved, you will receive a free supply of personalized checks and your account Certificate. This will show the opening balance, current interest rate and all account details. Funds are immediately available to you, simply by writing a check. You may write as many checks as you want each month. There are no monthly fees or maintenance charges. Each month, you will receive a statement showing your account balance, all checks cashed, interest earned, and the current effective annual yield.

Time to Decide

We know you are facing many important decisions now. Many people need time to carefully consider investment alternatives, that's why we created the Continued Interest Account.

The Continued Interest Account provides many benefits. You can name your own beneficiaries and if you wish, authorize a family member to assist you with your account. In many states, life insurance proceeds are protected from the possible claims of creditors.

In some cases, the insured or owner specified a method of settling a claim. If this has been done, we are obligated to carry out these instructions and we will give you full details. We will also give you additional time to take advantage of any settlement options that may be contained in the original policy.

Please be assured that New York Life will act as quickly as possible to complete the processing of your claim once we receive all the necessary information and documentation.

This claim Form may have been sent before New York Life has determined whether any insurance was in force at the time of death, and to whom the proceeds are payable. It retains the right to make such determination.

HOW TO COMPLETE YOUR CLAIM FORM

Please read this page before you start to complete your Claim Form.

Upon notice of the death of the insured, the Plan Administrator generally begins gathering information for your claim. To process your claim, we must have a fully completed Claim Form from each beneficiary, one certified copy of the death certificate and other documents as appropriate to the claim. You may use a photocopy of the Claim Form if there is more than one beneficiary.

Illinois Interest Statement

If the certificate was issued in Illinois, you will be paid 9% interest, from the date of death, if your claim is not paid within 15 days of receiving the necessary proof needed to settle the claim.

SECTION 1 – Group Certificate Information

Please be sure to enter all certificate numbers on the Claim Form and enclose all the original insurance certificates, if available. If not available, please explain. If the death is due to an accident or your insurance plan includes an Accidental Death benefit, it is important that you send us additional information such as a coroner's report and newspaper articles, and that you sign the Medical Authorization (in Section 6 on the reverse side of the Claim Form) to avoid delay.

SECTION 2 – Deceased Information

Information about the deceased is necessary for purposes of identification and to help us determine if any special benefits that may have been purchased by the insured are also payable.

SECTION 3 – Beneficiary Information

Information about the Beneficiary is necessary for claims processing.

Taxpayer Identification Number: In nearly all cases, life insurance benefits are not subject to income tax. However, New York Life pays interest on all proceeds from the date of death and on all proceeds in your Continued Interest Account.

The Federal government requires us, and all other financial institutions; to report interest we pay you. Therefore, we are required to obtain your Social Security Number or Taxpayer Identification Number, which you must certify under penalties of perjury. If you are applying for a tax number, please write "applied for" in the appropriate space. If you fail to supply us with an identification number, the Federal government requires us to withhold a portion of your interest as a deposit against the taxes that may be due.

Some persons have been notified by the Internal Revenue Service that they are subject to "back-up withholdings" because in the past they did not report all their interest or dividends.

If you have been so notified, and a back-up withholding order has not been rescinded, you must cross out the statement right below your Social Security or Taxpayer Identification Number. We may contact you for more information if there are any questions about your Taxpayer Identification Number or back-up withholdings status, or if you are a non-resident alien or foreign entity.

Claims by an Estate: If an Executor or Administrator is filing the claim, he or she must sign the Claim Form and submit a certified copy of the appointment papers. Be sure to use the Tax Identification Number of the Estate.

Assignment: If you have assigned all or any portion of the claim to a funeral home for final expenses, please include a copy of that assignment. If the deceased assigned the policy proceeds to a bank or other financial institution, an authorized representative of that institution must sign the Claim Form.

If the Beneficiary is a Minor: If there is a legal guardian for a minor, he or she should sign the Claim Form and submit a copy of the guardianship papers. If no legal guardian has been appointed, please contact us for further information.

SECTION 4 – Settlement Option

We offer two payment options: a Continued Interest Account and a Lump Sum payment. If no option is chosen, New York Life will pay the claim into a Continued Interest Account, unless the beneficiary is a resident of Arkansas, North Dakota or Washington.

SECTION 5 – Your Signature

Please sign the Claim Form in the same manner as you would normally sign your checks. Your signature will be used to verify instruction you give us in the future.

SECTION 6 – Medical Information

Do not fill out the Medical Information and Authorization section unless all or any portion of the insurance coverage is less than two years old at the time of death, or you are making a claim for an accidental death.
